ABOUT MIFFF

The First Annual Maelstrom International Fantastic Film Festival runs September 18 through 20th, 2009. The complete Festival schedule will be announced in August. Tickets will be made available online as well as in designated ticket venues. For more information on the Festival, including descriptions of films and events, please visit www.miff.org. Members of the press can find and download more information, including press kits, photos, press releases, and full film descriptions in the press section of the website.

MIFFF produces the Maelstrom International Fantastic Film Festival, the premier Pacific Northwest weekend long event devoted towards independent and international genre film making. The event was created to offer exposure to films that traditionally are overlooked by the festival circuit from genres including animation, fantasy, horror, and science fiction. The festival will feature an amazing selection of fantastic cinema from around the globe with the possibility of artists presenting the works themselves. U.S. and world premieres will play alongside global festival favorites and select retrospective titles.

MIFFF is registered as a Washington State non-profit. MIFFF's mission is to create experiences that bring people together to discover extraordinary genre movies from across the globe.
